

Back to the future

Capo 2

553 332 320
Back to the future – it will take a long, slow breath
BTTF - a modified DeLorreean had taken position
in front of the courthouse BTTF – for your account and risk
to power the time machine with a bolt

Chorus 2*

133 355 553
Where he would sense he was being watched
As they heard a flurry of wings and panic
When they had gone, to his surprise
But his path was set

BTTF – the courthouse square before dawn
BTTF – you have donw well
But instead a dark figure had spoken
in the schoolyard BTTF – and his bones cracked

Chorus 2*

x3201 32001 20001
Back to the future – it will take a long, slow breath
BTTF - a modified DeLorreean had taken position
in front of the courthouse BTTF – for your account and risk
to power the time machine with a bolt

Chorus 2*
