

I felt like saying but didn't

320003 xx0232 133211 x3203

133211 320003
I felt like saying but didn't
x20000 x3201
Look, this has to be contained
133211 320003
I felt like saying but didn't
x20000 x3201
The pictures were taking after

320003 xx0232
No one will read it to the end
133211 x3203
The facts get in the way
320003 xx0232
Just how long 'til I'm out of here
133211 x3203
I've got my entire team on it

Repeat

320003 xx0232
The nuances were unreadable
133211 x3203
Selling to a lot of neighbors here
320003 xx0232
Nothing is confirmed, it was now down
133211 x3203
When I was done, on everything that had transpired

Repeat

320003 xx0232
Oh you said, understanding
133211 x3203
Eyes met, and looked away
320003 xx0232
Taking care of the chores, getting situated
133211 x3203
The newsroom was deserted when I got there
