

I'll come home

Capo 3

xxx232                      xxx032

Where have you been, anyway

xx2032                      xx0032

I'm looking for examples

And I'll smile when I walk in

xx2032                      xx0032

Look when I leave here

I'll come home

x00032 200032

*Arpeggio*

xxx232                      xxx032

There was this old Lady, this schoolteacher

Like two sad people cross path

xxx232                      xxx032

She'd always be one of my heroes

**Chorus 2\* :**

x30032                      x20032

**I'll come home then**

x00032                      200032

**That's so wonderful**

x30032                      x20032

**I've got to go now**

x00032                      200032

**I've got to go**

x30032                      x20032

From the library to the lobby

x00032                      200032

I was angry about what had transpired

x30032                      x20032

Besides, we've got our people around

x00032                      200032

There was a fireplace in the rear

**Chorus 2\***

xxx232                      xxx032

It was obvious to him

xx2032                      xx0032

I could get my things and check out

xxx232                      xxx032

I was hoping in a sort of way

xx2032                      xx0032

That I would get a chance to

*Arpeggio*

**Chorus 2\***

xxx232                      xxx032

**I'll come home then**

xx2032                      xx0032

**That's so wonderful**

xxx232                      xxx032

**I've got to go now**

xx2032                      xx0032
