Darling I remember your eyes  
Had not escaped all these tries  
Lay together without touching  
And looked up to the sky

*It might be missed, you do not know*

x332

x320

*Knowing that you would be allowed to stay*

*She did not, instead*

332

320

*She did not know, if she could spill the blood*

554

530

*Humming a song from her childhood*

She had run for miles that day  
Her gaze fixed on her mother  
We need each other  
It does not change that
