 You recognized instantly that familiar song
 x0220 x0201 xx0230
 What did concern you was your throat
 x0220 x0201 xx0230
 The blanket had been reduced, step by step

You know you should sleep
022 320
You know you should eat

x022 022 320
 In the fleeting moment of contentment
 x022 022 320
 Beginning today, hope you're on the right
 x022 022 320
 Side of the river, just like before

Repeat

x022 022 320
 You galloped down the ravine
 x022 022 320
 With grit and determination
 x022 022 320
 You pushed yourself toward the surface
 x022 022 320
 As you turned back to shore

Repeat

 A bit of random luck

 No easy source to simulate

 That left a strong impression
