Say Hello to the Styles Parquet
Are you going to write a story about it
Say Hello to the Styles Parquet
There's a couple people with that name

On the floor, in front of the chair
Near the wall, behind the window
I turned and started away
At Mulholland Drive, drove away from the Hotel

Repeat

You passed out on the couch
Who took the tickets from the children
It's not done with it yet
Now we can talk, as they say

Repeat

Power lines and a stand at the end of a trailer par
The first trailer had a sign on the door
All right, you have an arrangement, then
So don't show up for this camera
