Capo 2

Arpeggio : xx2543 xx0231 02200 x02210

xx2543 xx0231
Said nothing of value
02200 x02210
At one point, I thought I could hear voices
xx2543 xx0231
I lived in New York and Paris
02200 x02210
You know, you didn't call ahead on this

xx2543 xx0231
You wanted that more than anything
02200 x02210
That goes far all cases, when I was done
xx2543 xx0231
You wanted that more than anything
02200 x02210
Said nohing of value

xx2543 xx0231
The travel-size toothpaste tube
02200 x02210
The bathrooms in old hotel rooms

Repeat

xx2543 xx0231
The first two stops were dead ends
02200 x02210
I wanted to order room service
xx2543 xx0231
And then lie in a comfortable bed
02200 x02210
It took me an hour to fall asleep
xx2543 xx0231
Maybe made you nervous
02200 x02210
If someday someone comes along
xx2543 xx0231
I fumbled with the cap
02200 x02210
And finally managed to open up
xx2543 xx0231
So let's not start this now
02200 x02210
Monday morning and I'll buy the coffe
